Is a gas supplier overcharging you?

For Nicor Gas, Peoples Gas and North Shore Gas homes. Some residential supplier rates reached $1.89 to $1.899 per therm, per the Illinois Commerce Commission's 2026 report. Utility gas supply in November 2026: about $0.31 to $0.39 per therm.

Check your bill in 2 minutes:

1. Find the supplier's price per therm on your gas bill.
2. Compare it with the utility's monthly gas supply price.
3. Residential customers can cancel an alternative gas supplier with no early termination fee (ICC).
